COACH MAYBERRY INSTRUCTS ON THE LINKS

Coach John Mayberry has been active in basketball for nearly 50 years and is on the go again. After completing four weeks of summer basketball camp, the Berkeley, California native is now teaching elementary physical education three days a week and coaching the girls golf team. We're sure all that teaching on the links has improved his game! John is feeling well and is not the only Berkeley resident to be living an active lifestyle, as Pat Irvine was rumored to have taken in a cruise earlier last month.

ALWAYS ON THE GO: John Mayberry and Pat Irvine have been active as usual.
